Product Name: Aseptic White Guava Puree – Min. Grit:

Description: Aseptic white Guava Puree is extracted from sound mature and selected ripened white Guava fruits. The process involves selection of ripe white guava washing with disinfectant, final inspection, fruit milling, pulping & finishing, decantation and passing through foreign matter control such as magnetic trap, Strainer, Metal detector, thermal processing in PLC based Aseptic Sterilization and packed in Aseptic bags in MS drums with polyliner inside. The product is manufactured under stringent hygiene conditions throughout the process line and continuous monitoring by QA to comply with quality and Food safety standards
